Matritva

The Complete Maternity & Baby Care Package

INSTITUTE OF HUMAN REPRODUCTION

▪GUWAHATI▪

Thank you for choosing us to journey with you during this precious phase of your life. We promise to live by our tradition of ensuring that you and your baby receive nothing but the best. At the IHR, you will experience the amalgamation of world-class technology along with the miracle of compassion that comes naturally to our care givers including doctors.

“**Matritva** (motherhood)” is North-East India’s first comprehensive & specially crafted maternity package that takes care of more than just delivery. This takes care of all the medical needs of a mother-to-be, through the second and third trimester of pregnancy and delivery. We aspire to ensure that for you, life’s most precious moments are experienced as smoothly as possible and with great value for money.

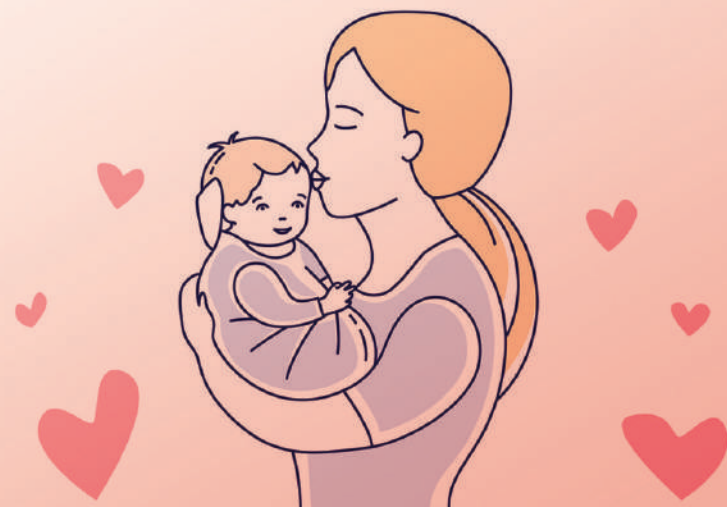

This Package includes the following:-

1. Antenatal Check up (from 13 weeks onwards) with specified investigations, consultation and supplements & vaccinations
2. A total 10 consultations from 13 weeks onwards till delivery.
3. A customized “Pregnancy” Diet plan for duration of 6 months.
